In 2021 the WLF began the transition process to the USA Lacrosse Chapter Bylaws as required and approved by USA Lacrosse. The WLF has established a nominating committee comprised of current WLF Board Members to nominate individuals to the outgoing WLF Board of Directors for election to be held on September 28, 2021. Those candidates are nominated as individuals and not nominated or elected to specific positions on the board. Once the new board year starts, the newly elected and current members of the board are then placed or elected to roles & officers of the Board.

Anyone can be nominated for consideration by any Wisconsin based USA Lacrosse member, including themselves.

Nominations will be open through September 15, 2021.
