

Dear Wisconsin Lacrosse,

We are opening the nomination process for the 2022 election cycle. Up for election this year:

- Vice President (special election due to vacancy)
- Secretary
- Boys Director
- Events Director

The Wisconsin Lacrosse Federation will be opening the nomination process August 1 through August 15. The Nominating Committee will review the nominations for qualifications and intent to serve, of the nominee. The slate of nominees will then be presented to the full WLF Board at their August 28 meeting. At this meeting, the Board will vote in 4 new members from the list of nominees. After that election, the Board will then discuss the best position for each new member and place them.

Attached is the nomination form which can be submitted to any member of the Nominating Committee. We look forward to receiving nominations from all around the state to give the Board many options to staff the positions with qualified people.

If the deadline for nominations is past, you may still nominate a person directly to the Board of Directors by submitting the form, signed by 5USA Lacrosse members residing within the Wisconsin Chapter, by August 18.

If you have any questions regarding the nomination or election process, you can contact anyone on the Nominating Committee.

Thank you for participating and helping the WLF stay strong and focused in supporting lacrosse throughout Wisconsin.
